**Manassas Youth Ballet** Performances are designed to showcase our students themselves, who often participate in the professional performances with Manassas Ballet Theatre.

**Youth America Grand Prix** is a soloist and ensemble competition in which MBT students participate each year. Our ensemble dances begin rehearsals during the summer sessions. Children participating in the ensemble dances must attend a *minimum* of four (4) rehearsals over the summer.

Private coaching for YAGP solo competition usually begins during the summer as well, and is highly recommended for professional division students.
